STORAGE SOLUTIONS

We are the pioneers of custom design accessories for interiors and have been in this line for the past 18 years. We work with a variety of leading architects, interior designers, and industries, and have over 3000+ satisfied customers.

About Us

Our forte remains a multitude of storage solutions specifically designed to serve your individual needs and preferences. We are specialists in custom made products & development of metal items to fit the client criteria primarily wire products and sheet metal. Finishes offered are Electro-polishing and buffing in case of stainless steel, and for mild steel, powder coated or plastic coated finishes in a wide range of colours. PU coating (Poly Urethane material) is one other alternate option.

Services

Besides accessories, we provide complete storage solutions on a turnkey basis from home kitchens to wardrobe organizers, and offer various designs for commercial spaces and industry. Our objective is efficiency; to maximize the amount of use per square ft.

Product design, consultancy & services, prototyping, mock ups

Product design is operated to fit customer or market needs, and product detailing etc is a strength of ours. We undertake prototyping in accordance with client specification.

Excellent skilled team to back up the services provided

We maintain a qualified and experienced team to design and execute our projects effectively.

We use hardware from world renowned brands such as
